Station Madras, *Dated the* 26th April 1930 19

From (Name) W.E. Smith Esq., M.A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
LAW (EDUCATION) Department.

Sir,

I have the honour to state that the strength of the model school attached to the Government Higher Elementary Training School, Mangalore, is hardly adequate for the purposes of the professional training of the students in the Training school. The locality contains many Roman Catholic Christians houses and the paucity of Christian children in the school shows that their needs are satisfied by the neighbouring Bijai Board and Bijai Church Elementary schools and the St. Aloysius College. The few Brahmin children go either to the Canara High school or the Ganapathy High School as soon as they are able to walk the distance. Hence a limited number of children of the cooly class are left for the

Training school. These leave school at various stages. To encourage their retention at school and in general to increase the attendance I suggest that fees in the model school be abolished.

Further the collection of fees is very low and hardly worth retaining - please vide the statement enclosed where the collection for each month after June 1929 is shown.

As a tentative measure with a view to study th effect of the abolition of fees upon the strength of the model school, I request that Government may be pleased to order the abolition of fees in the school for 2 years from the year 1930-31

I have the honour to be,

Sir,

Your most obedient servant,

Hrampson

Dr Director of Public Instruction
